Performance Test Report

Summary:

API tested	http://104.211.214.143:8082/uploads
Execution Window	**2018/11/29 18:26 IST** to **2018/11/29 18:39 IST**
Maximum User Load	100
Tool Used	JMeter
Average Response Time	14153 ms

Transaction Summary:

Label	# Samples	Average	90% Line	Min	Max	Error %	Throughput
Packet Uploader	3778	**14153**	21093	235	34530	0.79%	4.92885

Active Threads over Time:

Response Times Over Time:

Following pointes are inferred from the test:

- Average response time of the API has been 14.1 sec, during the load test
- Throughput achieved is 4.92 transactions per second
- Server side errors were observed during the test having response {"errors":[{"code":"KER-FTU-006","message":"exception occure while reading and writing file"}]}
