Performance Test Report
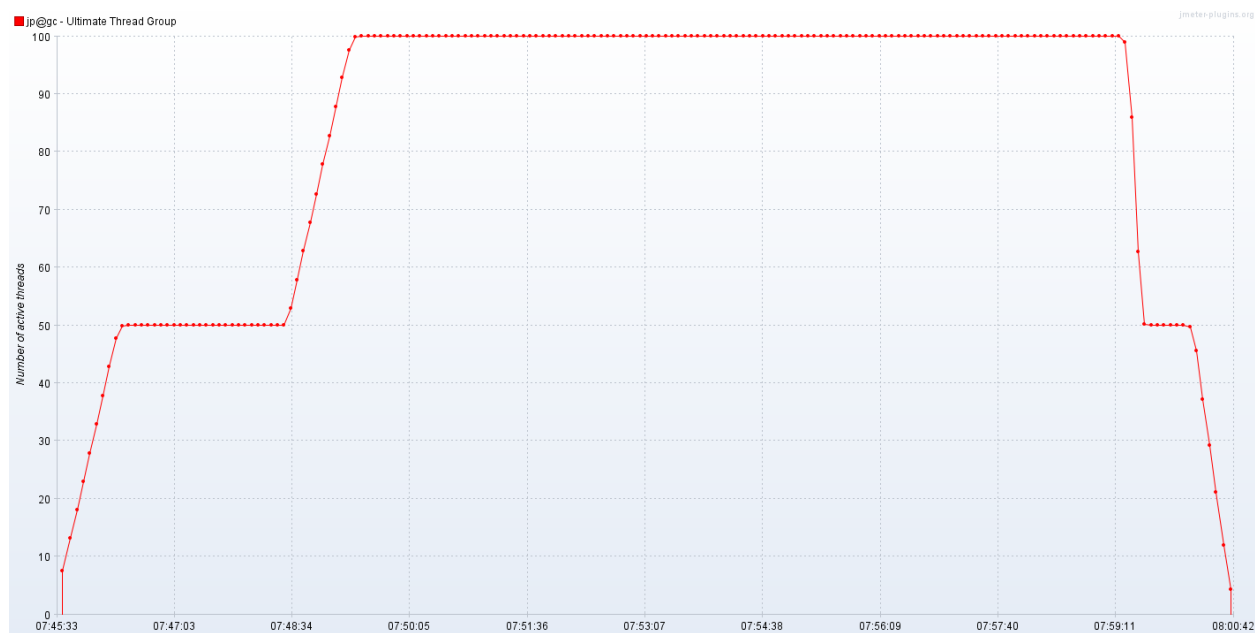

Summary:

API tested	http://104.211.214.143:8081/auditmanager/audits
Execution Window	**2018/11/27 07:45 IST** to **2018/11/27 08:00 IST**
Maximum User Load	100
Tool Used	JMeter
Average Response Time	118 ms

Transaction Summary:

Label	# Samples	Average	90% Line	Min	Max	Error %	Throughput
Audit-Manager	24135	118	112	68	9072	0.00%	26.54905

Active Threads over Time:

Response Times Over Time:
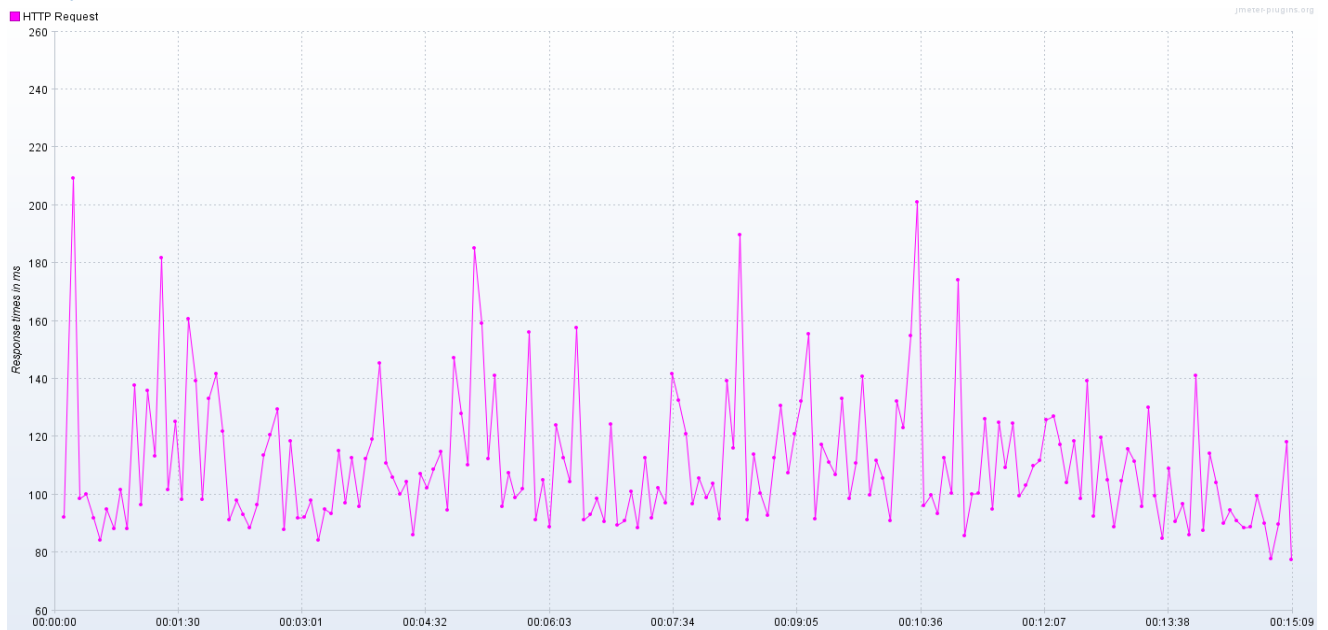

Following pointes are inferred from the test:

- Average response time of the API has been 116 ms, during the load test
- Throughput achieved is 26.5 transactions per second
